Description: Here at Cadent, we look after the gas pipes in your area. We make sure the pipes that bring the gas to your home keep you safe, warm and connected. We're replacing the old pipes with new plastic ones which will mean that you'll be ready for greener gas in the future. We'll have to turn off your gas supply during some of our works and may need access to your home, but our teams on site will be on hand to let you know more information.
